

## **ACKNOWLEDGMENT**

I want to express my sincere thanks to Mr. Uday Kumar Singh Sir for giving me an opportunity for the software development on “SMARTER WORK MANAGEMENT SYSTEM” which gave me a pleasurable experience. Mr. Aditya Singh Suman Sir to whom I owe profound sense of gratitude because he helped me in providing all information require for the development of my project. His valuable suggestion for amendments helped my project to take its final form. I would like to thank our head of the department Mr. Diwakar Pandey Sir for providing the best environment required for the proper completion of full fledged project.

I would also like to thank my Teachers who's friendly, cooperative and inspirational words always helped me to complete the project in the best manner. My Endeavour is also a gift of faculty members who taught me the basics of the subject in friendly and supportive way.

I am also very thankful to my family, friends and seniors who helped me and supported me at every stage of completing this project.
